Newsletter

Issue No. 24 - February 2010

Hopefully, we can look forward to Spring after a harsh winter.

It was sad that the Carol concert & Tree lighting service had to be transferred to the Village hall, at the last minute, but it was very gratifying to see so many of you there. Thanks are due to the people who made this possible, Cllr & Mrs St.John Greenhough who donated children's' goody bags and all the refreshments for the second year running. Also, thanks to the Over 60's Committee for their help, and to Tom Garlick for placing the Christmas tree in situ. He does this every year free of charge for the benefit of the Village.

In a few weeks time we shall be seeing the colourful results of Freckleton In Blooms bulb planting last Autumn. I would ask you to keep in mind that they are looking for volunteers.

This year, we will persist in raising your concerns over road issues, speeding, parking etc, with L.C.C and would be happy to see you at the Parish Council meetings if you have anything you wish to raise.

Councillor Mrs. Marjorie Whitehead, Chairman

Police report at meeting held on 1st February 2010

It has been reported that youths have been using the public toilets on the Memorial park to “hang out” in at the weekends. It is believed they are locking themselves in the toilets so that they can drink/smoke without being seen etc. Residents are encouraged to report any nuisance activity to the Police at the time and the youths will be identified and dealt with appropriately. The police can be contacted on 01253 293933

Residents may have noticed increased Police presence over the last week in the Naze Lane area of Freckleton. This is an ongoing traffic operation and therefore there is no cause for concern for residents.

Dog Fouling in the Village

It has been suggested that the Parish Council introduces a “Name and Shame” procedure to bring to the residents’ attention the dog owners who allow their dog to foul the pavements and other public areas and do not pick up afterwards. The Council would welcome your views on this suggestion. Please contact the Clerk or one of the Councillors with your comments.

Volunteer Drivers

The Over’s 60 club are looking for volunteer drivers. If you can help please ring Bernard Whittle on 01772 632566

He/she will be expected to monitor the playing fields regularly, preferably as part of their daily activities. Full training will be given before commencement of the post.

Anyone interested in applying for this position please contact the Clerk (contact details are shown overleaf) for further information.

Parish Council’s Complaints procedure.

The Parish Council would like to draw the Parishioners’ attention to the Council’s code of Practice for dealing with Complaints.

Part one of the Code of Practice requests that any complaint is first referred to the Clerk to see if it can be resolved by less formal measures. This would also ensure that all the facts are verified before a more formal complaint is made.

The Council’s welcomes constructive criticism, but would ask anyone seeking to progress a complaint, about the conduct of the Council members, to first discuss it with the Clerk, or the Chairman if that is preferred, to ensure the facts and procedures are fully understood.

The Council’s adopted Code of Practice for handling complaints and the Model Code of Conduct can be found on its web-site or from the Clerk (see over for details).
