

## **Neighbourhood Watch Freckleton PACT Update**

Dear Coordinator

Below are the results from the May PACT (police and communities together) meeting.

### **Priorities for Freckleton area**

- Large number of youths gathering- Memorial Park
- Traffic Issues- Various locations in Village

### **Update on the previous months issues**

Faded road markings on Lytham Rd outside the Co-Op late shop: PC 1810 Scarisbrick has been in contact with Louise Holmes from Lancashire County Council and is awaiting a date to be set for a meeting to discuss the road markings and other traffic issues in the village. Therefore this is still a priority for next month.

Various damage related incidents along Kirkham Rd: The spate of incidents in the area of Kirkham Rd have now stopped and the CCTV camera that was requested has now been installed which is a major deterrent. Also, the initial stages of setting up a Neighbourhood Watch scheme in the area have been started so it is hoped that this will benefit the area in the future.

### **Your next PACT meeting**

- 3<sup>rd</sup> June 2009 Memorial Hall 17.00hrs

Yours faithfully
