

Freckleton Neighbourhood Watch PACT Update

Dear Coordinator

Below are the results from the June PACT (police and communities together) meeting.

Priorities for Freckleton area

- Youth nuisance around Memorial Park and Bush Lane
- Traffic issues at various locations throughout the village

Update on the previous months issues

Large number of youths gathering - Memorial Park: Through constantly targeting the park throughout the month it appears that the majority of the youths that have been gathering are mainly in their early teens or younger. Officers have dealt with issues regarding anti-social behaviour and have confiscated / poured away a small amount of alcohol. In fairness to the youths the majority of them are well behaved and are merely using the park area to meet up but officers will continue to monitor the area as a priority for the coming month and take positive action when necessary

Traffic Issues - Various locations in Village: NHP teams from Warton / Freckleton have carried out speed enforcement checks at various locations/times throughout the month in both villages as part of a joint operation. Advice and warnings have been given to drivers as well as tickets being issued. This will remain a priority for the coming month as there are other issues to look at as well as continuing with the speed enforcement.

Your next PACT meeting

- 1st July 2009 Memorial Hall 17.00hrs

Yours faithfully
